

### **REMARKS**

This Amendment responds to the Office Action dated March 8, 2005 in which the Examiner rejected claims 1-7 under 35 U.S.C. §112 second paragraph.

As indicated above, claims 1-3 and 5 have been amended in order to more particularly point out and distinctly claim the subject matter which the Applicant regards as the invention. Applicant respectfully submits that the amendments do not narrow the literal scope of the claims. Therefore, Applicant respectfully requests the Examiner withdraws the rejection to the claims under 35 U.S.C. §112 second paragraph.

As indicated above, new claims 8-10 have been added. Applicant respectfully submits that these claims are also in condition for allowance.

Thus it now appears that the application is in condition for reconsideration and allowance. Reconsideration and allowance at an early date are respectfully requested.

If for any reason the Examiner feels that the application is not now in condition for allowance, the Examiner is requested to contact, by telephone, the Applicant's undersigned attorney at the indicated telephone number to arrange for an interview to expedite the disposition of this case.

In the event that this paper is not timely filed within the currently set shortened statutory period, Applicant respectfully petitions for an appropriate extension of time. The fees for such extension of time may be charged to our Deposit Account No. 02-4800.

In the event that any additional fees are due with this paper, please charge our Deposit Account No. 02-4800.

Respectfully submitted,

BURNS, DOANE, SWICKER & MATHIS, L.L.P.
